SCHOOL INFORMATION

Message from Mrs Watts

Welcome back after the Easter holidays - I hope you had a lovely time!

Just a reminder that Miss Carly has now taken over the admin role on a full-time basis. However, there will be one afternoon each week when Miss Carly will not be covering the office as she will be completing her university studies. Therefore, contact with the school will need to be made via email to myself or by the mobile number which is 07770 567413. The day may change from week to week, but this will be communicated to you each week on the newsletter and Classlist. Next week, there will be no admin on Thursday afternoon.

Have a lovely weekend!

Mrs Watts

Toast Payments

Payments for toast can be made on Parent Pay until Tuesday 6th May. The cost is £5.70 for the half term.

Sports Day

This year, Sports Day will be held on Tuesday 20th May with the Junior Sports taking place in the morning and the Infant Sports taking place in the afternoon.

If the weather is not suitable, then we have a reserve date of Thursday 22nd May. If this date is needed, then there will be a change to the order of the day with Infant Sports in the morning and Junior Sports in the afternoon. This is due to Dosbarth Gwili (Y6) having a visit from Dyffryn Aman staff in the morning for transition activities.

Jigsaw - Relationship and Sex Education (RSE)

As we are now in the summer term, the children will begin completing units of work within the RSE framework as part of their Jigsaw lessons. This will be the same content as we have used in previous years and will be delivered at an age-appropriate level in line with the guidance and framework. As has previously been the case, the lessons are tightly structured and any questions from children which fall outside of the plan will be shared with parents for you to address at home, or for you to consent to us addressing it in school if you prefer.

If you have any questions about the content of the lessons, please contact me and I can discuss this with you. There is also a recording of the parental meeting that I led to share the content which took place when the guidance was first brought into school, and I am happy to share this with you on request.
