Message from Mrs Watts

A very warm welcome back to school after the holidays. I have been delighted to see the children return and they have all certainly been very busy settling into their new classes this week. A big welcome to any families who have recently joined us, and also to school staff who have started with us – Mr Lee Evans, Miss Millie Hammacott, Mrs Emma Williams and Mrs Nina Jones (who also got married in August!! Congratulations!) I am confident that both new children and staff will be welcomed into our school community very quickly.

It is a short newsletter this week, but normal service will resume next week! Have a lovely weekend.

Mrs Watts

Reminders!

- Toast from Monday – payable on Parent Pay

This year, I will be presenting a Headteacher’s Trophy to a child who has made an impression on me over the week, either in their work effort, their manners or behaviour. The trophy will come home on a Friday and should be sent back to school on the following Friday please for the next presentation! Congratulations to Hunter this week for a great start to the

juniors! 😊

Forthcoming Dates

Dates will be published in next week’s newsletter after they have been finalised on Monday. We will include as many dates across the whole school year as we can to provide you with plenty of notice for planned events. Thank you for your patience!
