SCHOOL INFORMATION

Message from Mrs Watts

Congratulations to Amber Kang and Hollie Llewellyn who were the lucky winners of the Santes Dwynwen competition! A huge thank you to Poppies and Daleios for supporting us!

Have a lovely weekend!

Mrs Watts

Classlist Messages

A number of times this week, I have received messages via the Classlist message system informing me of children's absences, changes to collections or meetings etc and I haven't seen these until the end of the school day. Please be aware that the best way to contact school and pass on messages is via the school office admin email or telephone, or via my email or Mr Evans' email. I am often off site or in meetings and do not access Classlist during the day at these times and so messages are being missed. Diolch.

Rights and Values

Our Value of the Month is Love.

Our Right of the Month is:

'All children have the right to be kept safe.'

Lockdown Drill

Our first lockdown drill was completed successfully yesterday. Feedback from parents has been positive and some of our younger children have also told parents that they enjoyed their game of Hide and Seek with Mrs Watts!

Next Tuesday afternoon we will compete the full drill but will prepare the children in the same way.

Thank you for your support with this - it really does help to take away the fear and anxiety for the children, and hopefully for you as parents also. Diolch yn fawr, iawn.

Morning Drop Offs

Just a reminder to parents that all infant children need to be dropped off at the Foundation Learning gate at the back of the school in the mornings and not at the main entrance with junior siblings, unless agreed with school. Doors open at 8:55am and close at 9am. This is because it is the busiest time of the day for Carly, and she is unable to answer absence calls whilst also going backwards and forwards to deliver children to class. If you have junior children, it is best to drop Foundation children first. From Monday, infant children coming to school via the main entrance will need to wait until staff are available to take them down to class which may result in a late mark.

I would also like to remind parents that children need to be dropped at the entrance doors and that parents are not permitted to accompany children to the cloakrooms as this poses a safeguarding breach. Diolch.
